

Puppy Packages

We offer 2 puppy packages. By signing one of these packages you understand that full payment is due at the time of first exam. There will be no refunds if full services are not provided. It is your responsibility to schedule follow-up vaccine appointments in a timely matter. If a vaccine appointment is missed, and more than 4 weeks go by from last vaccine, it is recommended to restart vaccines. By restarting vaccines, we can guarantee your puppy is covered and protected. If you do miss vaccine appointments, and need to restart the Distemper-Parvo series, you will be required to pay out of pocket any additional vaccine cost outside of the 5 shots included.
